The organization spends about \$10 per woman in mailing and other costs. Make a donation of any amount you feel is appropriate for your budget and submit your receipt for the donation. There is no judgement on the amount of your donation, all donations get the same points. If you prefer to donate cash in Fort Smith, you may do so. Keep in mind that this will mean you do not get a receipt, but when the rally master makes the donation, she will do so through her work’s charity program and your donation will be doubled. Donations | Donate to Knitted Knockers (<https://www.knittedknockers.org/donations/>) P.S. – If you see boobs on the rallymaster, they’re knitted knockers!

Set up your personal Spotwalla tracking site. You may use your cellphone if you do not have a satellite device. There will NOT be a public page for this event, but your rally master would like to be able to see where you are at any given time. This can be very beneficial when there is a question about something you submitted, but also makes your rally master sleep better and keeps her anxiety in check. We all want a happy, well-rested rally master, right?
